

## **Trinity Classical Academy Admissions Process**

Thank you for your interest in TCA. We pride ourselves with providing a rigorous classical curriculum, integrating strong Christian values, in a fun, safe, and loving environment. Trinity Classical Academy is a hidden gem in the heart of downtown Summerville offering an affordable private education.

### **1) Parents are invited to take a tour of our facility.**

If class is in session, parents will have the privilege of observing our students and teachers hard at work. During this time, the Director will answer any questions or concerns parents may have. At the end of the tour parents will have the option of taking home an application.

### **2) Parent meeting with Director**

During this process parents will meet with our Director to discuss their potential student. We will review the TCA application, past report cards, and paper work containing possible accommodation recommendations (IEP or 504), and any other information that pertains to the student.

Parents will need to bring:

- TCA application
- Past or present years' report card
- Other paper work (IEP, 504, etc...)
- A teacher recommendation
- Current Immunization record

### **3) Shadow Day/student interview**

If desired, parents and the Director will agree on a date for the student to visit with us for a day. The student will get to experience what is like to be a TCA student and meet lots of wonderful peers!

If school is not in session during the time of the admission process, the student will be interviewed by the Director and a team teacher, where they will hear what it's like to be a student at TCA.

### **4) Review and admissions**

The Director and teacher team will review all paper work and will make an admissions decision based on data collected. Parents will receive a call within 24 hours with the decision.
